

# A good life or a great life?

"Szczyrek writes about a soft subject with strategies of substance. Her ideas will open your eyes and your thinking about purpose."

—Mark Sanborn, bestselling author of *The Fred Factor: How Passion in your Work and Life Can Turn the Ordinary Into the Extraordinary*

"*Pursuit of Passionate Purpose* is guaranteed to bring new energy and introspection to everyone. The true stories are fun to read and inspirational."

—Clair Beckmann, Regional President, JP MorganChase,

"Outstanding! —not only for those in business, but for every heart searching for fulfillment."

—Janice A. Stachyra, Librarian and Member-Hillside Library Board of Trustees

"Anyone who has ever wondered how to reach a successful and balanced life will find Theresa's story and suggestions invaluable."

—David H. Leonard, President, Mountain Desert District, Unitarian Universalist Association

"A great process for living a life of passion while achieving your heart's desire. Full of real-life examples that will inspire you to look deep at your life, your business and your dreams, then move forward with clarity and purpose."

—Larry Winget, *Wall Street Journal* best-selling author of *Shut Up, Stop Whining and Get A Life!*

A "must-have" for every personal library! With clairvoyance, the author builds on her own struggle toward success and couples it with research to put forth a sure-fire method for achievement available to anyone. *Pursuit of Passionate Purpose* helps readers understand more clearly who they are, what they really want, and how they can achieve it.

**Theresa M. Szczyrek, Ph.D.** helps organizations and individuals succeed by aligning their passions with purpose. Offering success strategies used in taking her company to over \$40 million in six years, Szczyrek works with emerging and established firms worldwide in marketing, strategic planning, and organization development to re-energize workforces and produce extraordinary results. An award-winning business leader and speaker featured in *Fortune* and other publications, her audiences have included AT&T, Polish Chamber of Commerce, and Brown University.
